Dedication

To a man, to a friend, to a teacher, who has given of himself, his time and his talents for eighteen years; to a man who is forever curious and who is forever seeking answers to questions; and most of all, to a teacher who possesses that ability, that something, which helps to create a desire on the part of a student to seek answers for himself . . .

For these reasons and many, many more, the students and the faculty of Franklin High School will always remember MR. CLAYTON RAMSEY as a teacher, but at the same time wish him the very best of success in his work as an administrator. To you, MR. RAMSEY, we proudly dedicate the 1967 *LAUREL LEAF*.

Recalling moments . . .

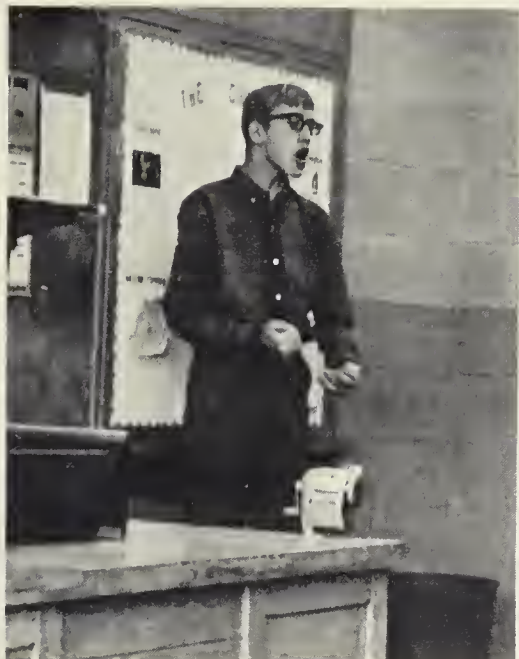

The *Laurel Leaf* tells the story of a year in the lives of the people who make Franklin High School what it is. With pictures and with words, it captures the "good ole days" at Franklin High School. The *Laurel Leaf* is a record of the times of our lives which are most important to us . . . times that we can never recall . . . yet times that can never die in the hearts of those to whom they mean so much.

As we think of all that Franklin High School means to use, we realize that there is much for which we can "stand to praise ole Franklin High." Franklin High School has developed in us the desire to be educated . . . the desire to press onward . . . the desire to succeed. It has guided us in the making of decisions, many which will effect us for the rest of our lives. Franklin High School has left us with the realization that the love and friendship of others is the greatest institution in the world. It has taught us that there is a time for sacrifice and a time for glory . . . a time to win and a time to lose . . . a time to laugh and a time to cry . . . a time to work and a time to play . . . a time to meet and a time to part . . .

in the lives of those . . .

at Franklin High School . . .

ADMINISTRATION

Mr. H. Bueck
Superintendent

Mr. Harry Corbin
Principal

To the seniors: For the first time in the history of man an attempt is being made to educate all of the children of the people to the point of a secondary school graduate. The United States is the only country in the world with the economic power and the will to attempt this feat. You are a part of this great experiment. We believe that only through education will we be able to preserve and strengthen our system of free democratic government. To the degree that you use your training to strengthen the country that gave it to you, will your children enjoy the sacred right of freedom that is now yours.

Principal's Address to the Seniors

Seniors: You may soon forget some of the facts you have learned during your high school years; but, if through the efforts you have put forth in acquiring these facts, you have gained more wisdom, then your efforts have not been in vain. If, during these four years, you have increased your interest in living a more wholesome life, you have become more patriotic, you have become more just in your relationships with others, and, in your relationships with Diety, you have become more humble, then the efforts of your parents and teachers have not been in vain.

The new head coach at Franklin High this year is Mr. Pat Pattillo. He was assistant coach at Franklin in 1956. Since then he has been very successful at Newman Georgia and Robbinsville High. Franklin High School feels fortunate to have Mr. Pattillo and is looking forward to having him for a coach in the years to come.

End

The Franklin High Panthers started the 1966 football season under the leadership of a new head coach, Mr. Pat Pattilo. The team had only seven lettermen returning from a team that posted a 2-8 record the previous season, making it one of the most inexperienced teams in the Smoky Mountain Conference.

The first game of the season the fighting Panthers played host to a team from Georgia Industrial. The visitors came out on top of a hard fought game 13-7. In their second outing on their home field, the Big Reds were shut out 28-0 by Clayton Georgia. In the third game of the season, Franklin entered conference play with a home contest against Andrews. After a close first half, the visiting Wildcats pulled away and won 40-6. For their first away game of the season, the Panthers met a strong Sylva-Webster eleven and lost again by a score of 56-6.

After losing their first four games, the fighting Panthers traveled to Hayesville and snapped their losing streak by defeating the Yellowjackets 18-14. However, victory was short lived, for the next week the Big Reds were tumbled by Murphy 51-0 in another conference road game. In their next game, the Panthers played at home against Robbinsville. The reds fought hard, but victory eluded their grasp as the Black Knights won 20-15. Swain visited Franklin the next week and shutout the hard luck Panthers 59-0. The last two games for the fighting Panthers were road games against very strong non-conference foes. In the first one, Franklin lost to Tuscola High 48-0. In the next and last game of the season the Big Reds were trounced by Brevard by a score of 71-0. Even though the Panthers experienced a dismal season, most of the players who saw a lot of action will be returning next year. These players gained valuable experience so the team next year will not have to face the same disadvantage faced by the team this year. The graduating seniors are Carl Alexander, Charles Crisp, Charles Henson, Buddy Henson, Clarence Shields, Gary Palmer, Dwight Bryson, Bobby Simpson, and Bill Fagg.

BOYS' BASKETBALL 1966-1967

The Franklin High Panthers, coached by Mr. Tommy Raby, started the 1967 basketball season with only one starter returning. Faced with building a conference contender the Panthers began play against Nantahala by defeating the visitors in a cliff-hanger 54-52. The inexperienced Franklin five continued their winning ways by soundly defeating Glenville 71-34 in their next outing. The Big Reds lost their first conference game to Sylva-Webster 63-52 and also lost to a highly rated Pisgah High team 106-54. In their next game, the Panthers defeated non-conference foe Cherokee 69-51. The next week the Reds dropped two in a row to Cullowhee. Then the Panthers lost in conference action to Swain 63-55 and Andrews 50-46. The Big Reds then bounced back by defeating Hayesville 67-52 and Robbinsville 84-60 in conference play, but they again lost to Sylva-Webster in a crucial conference game. In their next outing, the Franklin five were out classed by the powerful Pisgah bears 109-69. The Panthers began a five game winning streak by out scoring Murphy 60-57 in a game which went into overtime. In another conference road game, the Big Reds with hot shooting in the second half breezed by Swain 88-76. The Panthers then took two home games from conference foes Andrews and Hayesville by scores of 67-59 and 73-63. The Panthers again defeated Robbinsville 82-66. As the yearbook goes to press the fighting Big Reds are tied for second place in the conference with a 8-4 conference record.

Coach

The Franklin High Pantherettes, coached by Miss Gail Anderson, began the 1966-1967 basketball season with four starters returning to the squad. The well-balanced Franklin lasses opened play by trouncing Nantahala 54-39. The Pantherettes then took another home court victory from Glenville by a score of 37-9 before traveling to Sylva to defeat them 33-15 in their first conference victory. Next, the Franklin girls began a five game home stand by squeezing past Pisgah 29-25. They claimed their second conference victory by defeating Murphy in another very close game 41-40. The Pantherettes then stomped Hiwassee Dam 49-17 before winning another close and crucial conference game from Swain 31-28. In their next outing the lasses journeyed to Hayesville where they easily won by a score of 42-17. They then proceeded to win two more conference home games from Robbinsville and Sylva Webster by scores of 45-31 and 40-17. The Pantherettes won their twelveth game in a row by defeating Pisgah for a second time with a 25-24 margin. The girls were then edged by Murphy in their first defeat of the season, and fell to Swain 34-30 in hard fought conference games. The Franklin lasses returned to their winning ways, however, by taking two conference games in a row from Hayesville by a 53-28 lopsided score and Robbinsville 42-24.

FUTURE HOMEMAKERS OF AMERICA

The FHA is organized for students interested in improving personal, family, and community living. This year the FHA has been very active and has completed many outstanding projects. The members have repaired toys to give to needy children at Christmas, made cookies for the Miss FHS party, and made trays for hospital patients. Also, some of the members presented a Christmas party at school serving friends and faculty throughout the day.

Officers: Seated: (left to right): Wanda Corbin, President; Shirley Wooten, Vice-President; Pam Cook, Secretary; Gail Seabock, Treasurer. *Standing:* Jearlene Davis, Parliamentarian; Helen Cunningham, Historian; Yvonne Buchanan, Student Council Representative; Linda Holland, Reporter; Karen Houston, Jane Phillips, Recreation Leaders.

FUTURE FARMERS

The primary aim of the Future Farmers of America is to develop agricultural leadership, cooperation, and citizenship. The FFA is especially of value to those planning a career in Agriculture. The members of this club render many community services, such as assisting with the County Fair and helping farmers in various tasks.

OF AMERICA

During the summer and early part of the 1966-67 school year, members of the FFA helped in the construction of new facilities for the Agriculture Department. These buildings and other additions added greatly to the appearance of the Franklin High School campus, as well as being of much service to those concerned with the Agriculture Department.

Under the guidance of both state and local sponsors, the Health Careers Club at Franklin High School has reorganized and become a much stronger organization. Several members of the club gained an insight into the world of medicine by touring various hospitals in the Asheville area. The purposes of the Health Careers Club are to foster wise choices of nursing and other health careers, to promote a growing appreciation of the joy and satisfaction of these careers, and to emphasize the importance of personal and community health.

The team at work . . .

Add two for Franklin!

"Farewell"

From the first homeroom bell in late August until the last dismissal bell in early June, some nine hundred students and teachers have something in common—they are each a part of Franklin High School. Each begins the 1966-67 school year with bubbling enthusiasm—enthusiasm which ranges in degree from Freshman eagerness to learn what high school is all about to Senior ambition to make the most of their last year at Franklin High School. As school begins, so does the football season: yelling for the team at the home games . . . faithfully loading our cars to attend the games away from home, and to yell some more . . . getting together after the game for a hamburger and coke . . . replaying the game over and over in our minds.

As the football streamers fade away, only a few Friday nights seem to pass until the basketball season begins—the athlete strives to perfect his shot; the cheerleaders dream of deafening pep rallies; the coaches are determined to make their teams winning ones. Now Tuesday and Friday nights demand our team support, and many more Wednesday exams show lower grades as this demand is met. With the coming of basketball season comes College Board exams for the Seniors, and also the important decision of where they want to go to college (and if they will be accepted).

Next come Christmas holidays, and what a relief! Everyone plans parties for the crowd, gifts for their special one, and Christmas dinner with the family. The Holiday Season ends much too quickly, however, and it hardly seems possible: half the school year is over, and it is time for mid-term exams! We pass some, fail some, vow to do better the next half of the year, and make plans for the Miss FHS Party. This will be one of the biggest events of the school year, and the Student Council works diligently to get a good band and to make the event a success. And we all wonder "Who will be crowned Miss Franklin High School?"

Now we should settle down to our studies before those warm, lazy spring days get here. But January and February speed swiftly by, with ballgames, club meetings, and just wasting time. In March the Juniors take those long-dreaded College Boards, and then begin some hard work toward that grand night of their year—the Junior-Senior Prom. This night will always bring warm memories to our minds: taking the girl that we have wanted to date for such a long time . . . wearing our first evening gown . . . sleeping just a little but declaring that we stayed awake all night. April's breezes invade the classroom and our minds are soon taken captive by them—Freshmen think of being Sophomores; Sophomores dream of going to the Jr.-Sr. next year; Juniors measure for their classrings. Seniors recall the past four years with a feeling of sadness, wondering how it could all be over so soon. We grasp these last few days together, seeing how much Franklin High School means to us. And as we look about us, we realize how fond we have grown of our teachers, our chair in Senior Math, our talks over food in the lunchroom. We regretfully realize that soon we will no longer be a part of Franklin High School, but we know that Franklin High School will always be a part of us. And surely enough, graduation comes, and we end the 1966-67 school year at Franklin High School.
